#### **B ADDITIONAL INFORMATION REQUIRED BY THE ACE MARKET LISTING REQUIREMENTS OF BURSA SECURITIES**

##### **B1 Review of performance**

(a) Performance of current quarter against the preceding year corresponding quarter

For the current quarter ended 30 June 2015, the Group recorded revenue of RM9.84 million, 9.7% higher compared to that achieved in the preceding year corresponding quarter of RM8.97 million. The increase was mainly due to one time implementation charges for lease line installation, as well as increase of monthly fixed charge subscription of the online stock trading product.

The Group recorded a profit attributable to the owners of the Company of approximately RM2.86 million, 76.5% higher compared to that achieved in the preceding year corresponding quarter of RM1.62 million. This was mainly due to the dividend income and reduction in the finance costs.

(b) Performance of the financial year to date against the preceding year corresponding period

The Group recorded revenue of RM19.14 million in the current 6-months financial period ended 30 June 2015 compared to RM16.56 million reported in the previous year corresponding period. The Group's revenue increased by 15.6% mainly due to the revenue generated from one time implementation charges and monthly fixed charge subscription of the online stock trading.

The Group recorded a profit attributable to the owners of the Company of RM5.15 million in the current 6-months financial period ended 30 June 2015 compared to RM3.19 million reported in the previous year corresponding period. The increase was mainly due to the increase in the one time implementation revenue and dividend income.

##### **B2 Material changes in the quarterly results as compared with the preceding quarter**

The Group recorded a profit before taxation of RM2.89 million in the current quarter under review which was 30.2% higher than the profit before taxation of RM2.22 million registered in the immediate preceding quarter mainly due to the reasons mentioned in Note B1 above.

##### **B3 Prospects**

The market is expected to be challenging in 2015. However, N2N Group will continue to attract new businesses from other equities and derivatives solution users to adopt its new and enhanced flagship products and services. N2N launched the flagship product for financial institutions worldwide in late May 2015, which is expected to contribute revenue by Q4. On the other hand, N2N's subsidiary continues to develop data center and lease line business which will contribute revenue to the Group. The Group is also actively pursuing a few merger and acquisition targets that will be complementary to the Group's business activities. Barring any unforeseen circumstances, the Directors of N2N believe that the Group's performance for the year 2015 will remain favorable.
