### **To : The Shareholders of N2N Connect Berhad**

Dear Sir/Madam

### **PROPOSED RENEWAL OF THE AUTHORITY FOR THE COMPANY TO PURCHASE UP TO TEN PERCENT (10%) OF ITS TOTAL NUMBER OF ISSUED SHARES**

---

#### **1. INTRODUCTION**

At the Sixteenth Annual General Meeting held on 25 May 2017, the Company had obtained a mandate from its shareholders for the Directors to purchase and/or hold its own shares of up to ten percent (10%) of the issued share capital of the Company. The said mandate shall, in accordance with the ACE LR, expire at the conclusion of the forthcoming Seventeenth AGM of the Company.

On 9 April 2018, the Board announced the Company's intention to seek a renewal of its shareholders' authorisation for the Proposed Share Buy-Back at the forthcoming Seventeenth AGM of the Company.

In view of the existing authority expiring at the conclusion of the forthcoming AGM, the Company proposes to seek new shareholders' mandate on the Proposed Share Buy-Back at the forthcoming Seventeenth AGM.

The purpose of this Statement is to provide you with details of the Proposed Share Buy-Back and to seek your approval on the ordinary resolution pertaining to the Proposed Share Buy-Back under Special Business as set out in the 2017 Annual Report to be tabled at the forthcoming AGM and any adjournment thereof. The Notice of the AGM together with the Form of Proxy are enclosed together with the 2017 Annual Report of the Company.

**YOU ARE ADVISED TO READ AND CAREFULLY CONSIDER THE CONTENTS OF THIS STATEMENT BEFORE VOTING ON THE RESOLUTION TO GIVE EFFECT TO THE PROPOSED SHARE BUY-BACK AT THE FORTHCOMING AGM.**

## 2. DETAILS

N2N proposes to seek a renewal of the authority and mandate from the shareholders of the Company to purchase and/or hold up to a maximum of ten percent (10%) of the total number of issued shares of the Company subject to compliance with Section 127 of the Act, the ACE LR and any prevailing laws, rules, regulations, orders, guidelines and other requirements issued by the relevant authorities.

The Proposed Share Buy-Back shall only be effected on the market of Bursa Securities via its Automated Trading System and shall exclude any direct business transactions as defined in accordance with the Rules of Bursa Securities. The Proposed Share Buy-Back shall be transacted through its appointed stockbroker(s) as approved by Bursa Securities.

### 2.1 DURATION

The Proposed Share Buy-Back, once approved by the shareholders, shall be effective from the date of the passing of the ordinary resolution pertaining to the Proposed Share Buy-Back at the AGM to be convened and shall remain in force until:-

- (a) the conclusion of the next AGM of N2N following the forthcoming AGM at which time it shall lapse unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders of the Company in a general meeting;

whichever occurs first.

### 2.2 QUANTUM

The actual number of N2N Shares to be purchased and the timing of the purchases will depend on *inter-alia*, market conditions and sentiments of Bursa Securities as well as the availability of retained profits and financial resources available to the Company. In addition, N2N is required to maintain the necessary public shareholding spread as prescribed in the ACE LR which will limit the number of shares to be purchased.

The maximum aggregate number of Shares which may be purchased by the Company shall not exceed ten percent (10%) of the total number of issued shares of the Company. As at 9 April 2018, the total number of issued shares of the Company is 544,035,933 N2N Shares. The maximum number of N2N Shares which may be purchased by the Company will be up to 54,403,593 N2N Shares.

### 2.3 FUNDING

The Proposed Share Buy-Back will allow the Board to exercise the power of the Company to purchase and hold its shares at any time within the period of validity of the approval of the shareholders for the Proposed Share Buy-Back by using the internal generated funds of the Company and/or external borrowings. The amount of internally generated funds and/or external borrowings to be utilised will only be determined later depending on the availability of internally generated funds, actual number of N2N Shares to be purchased and/or held and other relevant cost factors. In the event that the Proposed Share Buy-Back is to be financed by bank borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and that the repayment will not have a material effect on the Company's cashflow. The actual number of N2N Shares to be purchased and/or held will depend on amongst others, the market conditions and sentiments of Bursa Securities as well as the availability of the retained profits and financial resources available to the Company. The Company will not purchase its own shares if it would result in the Company being insolvent and its capital being impaired. The Company should remain solvent after each buy-back during the period of 6 months after the date of the solvency statement made by the Directors.

The retained profits of the Company based on the audited financial statements for the financial year ended 31 December 2017 is as follows:

	<b>As at 31 December 2017</b>
	<b>RM</b>
Retained profits	15,797,409

## **2.4 TREATMENT OF SHARES PURCHASED**

In accordance with Section 127 of the Act, the Board may deal with the Purchased Shares in the following manner:-

- (a) to cancel all or part of the Purchased Shares; and/or
- (b) to retain all or part of the Purchased Shares as Treasury Shares; and/or
- (c) to distribute the Treasury Shares as share dividends to the Company's shareholders; and/or
- (d) to resell the Treasury Shares on Bursa Securities; and/or
- (e) transfer the Treasury Shares for the purposes of or under an employees' share scheme; and/or
- (f) transfer all or part of the Treasury Shares as purchase consideration; and /or
- (g) sell, transfer or otherwise use the Treasury Shares for such other purposes as the Minister may by order prescribe.

Purchased Shares which are held as Treasury Shares are not conferred the right to attend or vote at meetings and to receive dividends or other distributions, whether cash or otherwise, of the Company's assets including distribution of assets in the event of the winding up of the Company. The Treasury Shares shall not be taken into account in calculating the number or percentage of shares or of a class of shares in the Company for any purposes including, without limiting the generality of Section 127 of the Act, the provisions of any law or requirements of the Constitution or the ACE LR on substantial shareholding, takeovers, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

As at the date of this Statement, the Board has yet to make any decision with regard to the treatment of the Purchased Shares and will take into consideration the effects of such treatment to the Group in arriving at its decision. An immediate announcement will be made to Bursa Securities upon each purchase, cancellation and/or resale of shares pursuant to the Proposed Share Buy-Back.

## **2.5 PUBLIC SHAREHOLDING SPREAD**

The public shareholding spread of the Company based on 536,696,033 N2N Shares as at 9 April 2018 (which excludes 7,339,900 Shares that have been purchased and retained as treasury shares, based on the Record of Depositors) was 37.52%.

The Board is mindful of the requirement that any purchase of N2N Shares by the Company must not result in the public shareholding spread of the Company falling below 25% of its total listed shares, excluding Treasury Shares.

### 3. RATIONALE

The authority to purchase the Company's own Shares is sought to enable N2N to have an additional option of utilising its financial resources more efficiently. All things being equal, any purchase of the Company's own Shares, regardless whether the Shares so purchased are retained as Treasury Shares or cancelled, would result in a lower number of Shares being used for the purpose of computing EPS.

The Company may be able to stabilise the supply and demand of N2N's Shares in the open market of Bursa Securities thereby supporting its fundamental values. The Company may retain the Shares so purchased as Treasury Shares with the intention of realising potential gains from the resale of Treasury Shares and/or to reward the shareholders through the distribution of the Treasury Shares as dividends.

### 4. POTENTIAL ADVANTAGES AND DISADVANTAGES

The financial resources of N2N Group may increase if the Purchased Shares held as Treasury Shares are resold at prices higher than the purchase price. Other advantages of the Proposed Share Buy-Back are outlined in Section 3 above.

The Proposed Share Buy-Back, if implemented, will reduce the financial resources of N2N Group and may result in N2N Group foregoing better investment opportunities that may emerge in the future or, at the least, deprive the Company and the Group of interest income that can be derived from the funds utilised for the Proposed Share Buy-Back. It may also result in a lower amount of cash reserves available for dividends to be declared to shareholders as funds are utilised to purchase Shares. In the event that the Proposed Share Buy-Back is funded by bank borrowings, the Company's net cashflow may decline to the extent of the interest costs associated with such borrowings.

Nevertheless, the Proposed Share Buy-Back is not expected to cause any potential material disadvantage to the Company or its shareholders as any share buy-back exercise will be undertaken only after in-depth consideration of the financial resources of N2N Group and of the resultant impact on its shareholders. The Directors, in exercising any decision on the Proposed Share Buy-Back, will be mindful of the interests of the Company and its shareholders.

### 5. EFFECTS

Assuming the Proposed Share Buy-Back is implemented in full, the effects of the Proposed Share Buy-Back on the share capital, earnings, NA, working capital, gearing and shareholding structure of the Directors and Substantial Shareholders are set out below:

#### 5.1 ISSUED SHARES

In the event the maximum number of N2N Shares authorised under the Proposed Share Buy-Back are purchased and such Purchased Shares are cancelled, the issued shares of the Company will be as follows:-

	<b>No. of N2N Shares</b>
Number of issued shares as at 9 April 2018	544,035,933
Less : Maximum number of Shares which may be purchased and cancelled pursuant to the Proposed Share Buy-Back	<u>54,403,593</u>
<b>Resultant number of issued shares upon completion of the Proposed Share Buy-Back</b>	<b><u>489,632,340</u></b>

However, the Proposed Share Buy-Back is not expected to have any effect on the number of issued shares if the Purchased Shares are retained as Treasury Shares but the rights attached to them in relation to voting, dividends and participation in other distribution or otherwise will be suspended.

## 5.2 EARNINGS

The effect of the Proposed Share Buy-Back on the earnings and EPS of the Group will depend on, *inter alia*, the number of Purchased Shares, the purchase price of such Shares, the effective funding cost to the Group to finance the Purchased Shares or any loss in interest income to the Group and the proposed treatment of the Purchased Shares.

If the Purchased Shares are retained as Treasury Shares or cancelled subsequently, the number of Shares applied in the computation of the EPS will be reduced, and accordingly all other things being equal, the Proposed Share Buy-Back will have a positive impact on the EPS of the Group.

In the event the Purchased Shares are resold subsequently depending on the price at which the said Shares are resold, the Proposed Share Buy-Back may have a positive effect on the EPS of the Group if there is a gain on the disposal and vice-versa.

## 5.3 NA

The Proposed Share Buy-Back is likely to reduce the NA per Share of the Group if the purchase price exceeds the NA per share of the Group at the time of purchase and vice versa.

In the event the Treasury Shares are resold on Bursa Securities, the NA per share will increase assuming that a gain has been realised and vice versa. Again, the quantum of the increase in NA will depend on *inter alia*, the number of Purchased Shares, the purchase price of such Shares, the effective funding cost to the Group to finance the Purchased Shares or any loss in interest income to the Group and the proposed treatment of the Purchased Shares.

## 5.4 WORKING CAPITAL

The Proposed Share Buy-Back will reduce the working capital and cash flow of the Group, the quantum of which depends on the purchase price of the Shares and the number of Shares eventually purchased.

For Purchased Shares which are kept as Treasury Shares, upon their resale, the working capital and cash flow of the Group will increase upon receipt of the proceeds of the resale. The quantum of such increase will depend on the actual selling price(s) of the Treasury Shares and the number of Treasury Shares resold.

## 5.5 GEARING

The effect of the Proposed Share Buy-Back on the gearing of the Company will depend on the proportion of borrowings utilised to fund any purchase of Shares. The utilisation of any borrowings to fund the purchase of any Shares will serve to increase the gearing of the Company.

## 5.6 DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' SHAREHOLDINGS

Assuming the Proposed Share Buy-Back is implemented in full and all the Purchased Shares are cancelled, the proforma effects of the Proposed Share Buy-Back on the shareholdings of the Directors and Substantial Shareholders of N2N, based on the Record of Depositors of N2N as at 9 April 2018, (assuming the Shares are purchased from shareholders other than the Directors and/or Substantial Shareholders of N2N), are as set out below:-

**6. PURCHASE, RESALE, TRANSFER OR CANCELLATION OF TREASURY SHARES IN THE PRECEDING TWELVE (12) MONTHS**

Details of the purchases, resale, transfer or cancellation by N2N of its own shares are set out on page 49 of the 2017 Annual Report.

**7. IMPLICATIONS RELATING TO THE CODE**

Based on the Register of Substantial Shareholders as at 9 April 2018, N2N Connect Holdings Sdn Bhd holds 29.23% of the voting shares of N2N. The future purchase by N2N of its own shares pursuant to the Proposed Share Buy-Back may cause the voting interest of N2N Connect Holdings Sdn Bhd and the persons acting in concert with it, namely Tiang Boon Hwa and Lai Su Ping, to increase by more than two percent (2%) in any period of six (6) months (the effects of such purchase on the shareholdings of N2N Connect Holdings Sdn Bhd, Tiang Boon Hwa and Lai Su Ping are set out in Section 5.6 above). In such an event, there is an obligation to extend a mandatory take-over offer to acquire the remaining shares not already held by them ("Mandatory Offer") pursuant to Rule 4 of the Code.

The Board does not intend to undertake the Proposed Share Buy-Back such that it will trigger any obligation to undertake a Mandatory Offer pursuant to the Code. However, in the event an obligation to undertake a Mandatory Offer is expected to arise with respect to any parties resulting from the Proposed Share Buy-Back, which is an action outside its direct participation, the relevant parties shall make the necessary application to the SC for an exemption from undertaking the Mandatory Offer under Rule 4 of the Code prior to any buy-back of the Shares.

**8. INTERESTS OF DIRECTORS, SHAREHOLDERS AND/OR PERSONS CONNECTED TO THEM**

Save for the consequential increase in the percentage shareholdings and/or voting rights of the Directors (if any) and Major Shareholders of the Company as a result of the Proposed Share Buy-Back, none of the Directors and/or Major Shareholders of the Company and/or persons connected to them, has any interest, direct or indirect, in the Proposed Share Buy-Back or the resale of the Treasury Shares (if any).

**9. BOARD'S RECOMMENDATION**

The Board, having considered all aspects of the Proposed Share Buy-Back, is of the opinion that the Proposed Share Buy-Back is fair, reasonable and in the best interest of the Company and its shareholders. Accordingly, the Board recommends that you vote in favour of the ordinary resolution pertaining to the Proposed Share Buy-Back to be tabled at the forthcoming AGM.

**10. ANNUAL GENERAL MEETING**

The Seventeenth AGM, the notice of which is enclosed in the 2017 Annual Report of N2N, will be held at Wisma N2N, Level 9, Tower 2, Avenue 3, Bangsar South, No. 8, Jalan Kerinchi, 59200 Kuala Lumpur on Friday, 25 May 2018 at 10:00 a.m. for the purpose of considering and if thought fit, passing, inter alia, the Ordinary Resolution on the Proposed Share Buy-Back under the agenda of Special Business as set out in the 2017 Annual Report of the Company.

You will also find in the Company's 2017 Annual Report, a copy of the Form of Proxy. If you are unable to attend and vote in person at the Seventeenth AGM, you are requested to complete, sign and return the Form of Proxy in accordance with the instructions printed therein as soon as possible and in any event, so as to arrive at the Company's Registered Office at 3<sup>rd</sup> Floor, No. 17 Jalan Ipoh Kecil, 50350 Kuala Lumpur at least forty eight (48) hours before the time set for the Seventeenth AGM. The lodgement of the Form of Proxy will not preclude you from attending and voting in person at the Seventeenth AGM should you subsequently wish to do so.
